MYSORE JAIL.

Notice dated 22nd July 1910.

1. Notice is hereby given that sealed tenders will be received up to 9 A.M. on Monday the 15th August 1910, by the Superintendent of the Mysore Jail, for the supply, by contract, of all kinds of wool and other articles required for the use of Jail manufactures and also for other purposes of the Jail, from 1st September 1910 to 30th June 1911, both days inclusive. No tender will be received after the date and hour above mentioned.

2 No tenders will be received unless accompanied by a deposit of Rs. 100 in cash or currency notes.

3. Tenders will be superscribed "Tender for the supply of manufacture articles and also for all other purposes of the Mysore Jail."

4. Tenders will be opened by the Superintendent of the Mysore Jail at his office on the date above named, in the presence of such tenderers or their authorized agents who may choose to attend.

5. The Superintendent reserves to himself the right of rejecting any tender without assigning any reason for so doing.

6. All tenders must specify the rates at which various articles will be supplied. The articles must be of good quality. The tenders must be drawn up according to the annexed form.

7. The deposit of the successful competitor will be retained, and will be forfeited if he fails to execute the contract bond, or to furnish security to the amount of Rs. 200 in cash or Government bonds, within one week from the date of the acceptance of his contract being made known to him.

8. The contract for supplies shall be entered into for the whole period, at the end of which alone final adjustment of accounts will take place. In the meanwhile, to facilitate supplies, advances to the extent of the value of supplies made in a month will be made to the contractor at the end of that month, by which time bills with vouchers must be submitted duly signed by him (contractor) in presence of the Superintendent. Such advances will be set off against the amount payable to the contractor at the end of the period for things supplied by him, and are not liable to be attached by Civil Courts in execution of decrees.

9. A fine not exceeding Rs. 30 will be levied, at the discretion of the Superintendent of the Mysore Jail, for any infringement of the stipulations of the contract or for the supply of any inferior articles, and the contract may be annulled and the security confiscated to Government.

10. The decision of the Superintendent of the Mysore Jail will be final in all questions of infringement of contract.

11. A store room will be given to the contractor (if required), in which he can keep all non-perishable articles, for issue on requisition. The Government will have a lien on all articles so stored.

12. Any further information can be obtained by applying at the Superintendent's office.

13. Samples of the articles in the annexed list marked with asterisks to be brought with the tender.

14. Separate tenders may be made on the same date for the supply of wool, if accompanied with a deposit of Rs. 100, and under the foregoing provisions.

15. The rate should be specified for a maund of 25 lbs. for articles taken by weight.

16. The accepted tender is subject to the confirmation of the Inspector-General of Prisons in Mysore, who reserves to himself the right of rejecting all or any of the tenders.

WATER-SUPPLY AND STORES DIVISION.

Dated 26th July 1910

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water-Supply and Stores Division, up to 20th August 1910, for the supply of 3,000 tons of casuarina fuel to the Pumping Station at Soldevanhalli. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 31st May 1911.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for supply of casuarina fuel to Soldevanhalli," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.
